

Think It Grant Application Questions

1. Background: Tell us about your organization (and the other organizations involved in this project, if applicable)
2. Project: What question(s) will be addressed, and how was it identified? How will you explore this question?
3. Leadership: Who will be involved?
4. Timeline: What is the time frame for the project?
5. Assessment: How will you know if your activities have effectively met your challenge? How will progress be tracked?
6. Impact: How might this impact your organization?
7. Other: Please add anything else you would like to share.

Attachments:

8. The entire project budget, including revenue and expenses. It is fine if AWF is the only proposed funder of the project. If the total project budget exceeds AWF's maximum grant size, indicate how you plan to fund the balance and whether additional funds have been committed or secured.
9. The audited financial statement or 990 from the most recently completed fiscal year.
